

IPM POSTDOCTORAL POSITION

The School of Physics of IPM has an active postdoctoral program in a few different areas of physics, including High Energy Physics - Theory & Phenomenology, Early Universe Cosmology, Condensed Matter Physics, and Soft Matter, Biological and Statistical Physics.

- IPM postdoctoral positions are for an initial period of two years, which is extendable to the third year upon mutual agreement and upon approval of the Scientific Council of the School of Physics.
- Postdoctoral applications will be evaluated twice a year, in April and October. The application deadline for the first round is April 1 (with start date of around September of the same year) and the deadline for the second round is October 1 (with start date of around early April of the following year). The start date is negotiable with the department.
- In order to complete your application, please send your CV, list of publications along with your research statement and a cover letter to the department administrator, Ms. Pileroudi: npileroudi(at)ipm.ir.
Please arrange for three reference letters to be sent directly by your reference persons to the same email address.
- Postdoctoral payments and allowances package includes standard salary, insurance and travel allowance. For more details please contact Ms. Pileroudi: npileroudi(at)ipm.ir
