

Lecture series by Prof. Jean Pierre Gazeau

During his visit at IPM Prof. Gazeau will provide 18 hours lectures on TOOLS FOR SIGNAL ANALYSIS AND QUANTUM PHYSICS. The schedule of his lectures may be found [HERE](#). The lectures will be in room C, 2nd floor, in Farmaneih Bldg of IPM.

Venue: Farmaneih Bldg, IPM, School of Physics, Room C, 2nd floor.

Schedule of lectures at IPM, Tehran (18 hours)

Thursday 31 August

Morning: Tools for Signal Analysis: theory (1h30 + 1h30)

Afternoon: Signal: training with Matlab (1h30 + 1h30)

Thursday 7 September

Morning: Tools for Quantum Physics (1h30 + 1h30)

Afternoon: Images: training with Matlab (1h30 + 1h30)

Thursday 14 September

Morning: The path from Classical to Quantum Physics (1h30 + 1h30)

Afternoon: Applications/Illustrations (1h30 + 1h30)
