

Institute for Studies in Theoretical Physics and Mathematics

School of Particles and Accelerators

**SECOND NATIONAL WORKSHOP ON DETECTORS
AND CALCULATION METHODS IN PARTICLE PHYSICS
(WITH EMPHASIS ON CMS)**

5-7 February 2008 (16-18 Bahman 1386)

Topics:

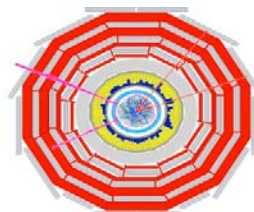

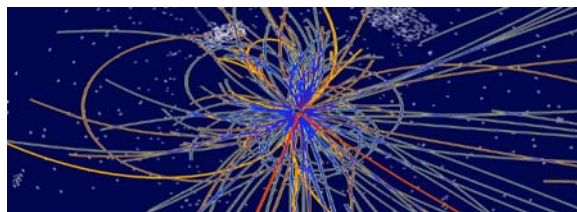

- Introduction to Detectors and Reconstruction Methods
- Monte Carlo Tools in Particle Physics
- ROOT and its Applications
- Statistics and Probability
- Particle Physics with CMS Detector at the LHC

Organizers:

- H. Arfaei, SUT & IPM
- M. Mohammadi, IPM
- S. Paktinat, IPM

Deadline of Registration:

22 December 2007 (1 Dey 1386)

Contact Info: School of Particles and Accelerators, IPM, Farmanieh Building, P.O. Box: 19395-5531

Telephone: 22823089-22280692, **Email:** particle@ipm.ir
