

IPM international school and workshop on Particle Physics (IPP13): Flavor physics and dark matter

School of Physics, IPM, Tehran, Iran

May 4th- 6th, 2013

(14-16 Ordibehesht, 1392)

The meeting will last for two and half days and will consist of a school and workshop. Background knowledge of quantum field theory and particle physics (specially basics of neutrino physics) is required. There will be a poster session for graduate students to present their results. Posters have to be in English. Graduate students in the field of high energy and particle physics are encouraged to participate.

Registration deadline for participants who need visa: February 19th, 2013

Registration deadline for participants who do not need visa: April 25th, 2013

Recommendation letter is not compulsory; however, graduate students who provide a reference letter will be in priority for selection. The recommendation letter should be sent to:

[ippconf \(at\) theory.ipm.ac.ir](mailto:ippconf@theory.ipm.ac.ir)
