## One Day Workshop on Recent Developments in String Theory

1 December 2010 (10 Azar 1389)  
Tehran, IRAN

*In Memory of Professor Mohammad Hossein Sarmadi*

A one day workshop on recent developments in string theory is planned by and held at IPM, Tehran. This workshop is intended to provide advanced research information about the on-going activities in string theory.

Organizers:

M. Alishahiha, (IPM, Iran)

M.M. Sheikh-Jabbari, (IPM, Iran)

For registration please contact School of Physics office

School of Physics, IPM

P .O. Box 19395-5531, Tehran, Iran
