## Admittance to the PANDA Collaboration

Dear Prof. Dr. Kazem Azizi,

we have the pleasure to inform you that you and your group has been admitted to the PANDA collaboration by decision of the Collaboration Board of PANDA on June 8, 2018 in Stockholm and we are looking forward to a fruitful cooperation in Hardware and Software development towards the realization of PANDA.

We are also happy to welcome the School of Physics, Institute for Research in Fundamental Sciences (IPM), Farmaniyeh, Tehran into the Collaboration as our first institute in Iran as your second affiliation.

kind regards,

Yours sincerely,

Klaus Peters
