

HEPCo@ Physics School

School of Physics, IPM
21 April 2025 (1 Ordibehesht 1404)

The aim of HEPCO@ physics school is to introduce the recent research work carried out at the school of theoretical physics of IPM and strengthen the ties with other active researchers working on similar areas in the region. This year, the meeting is completely online and is in English. Everybody is welcome to attend the online talks. Topics include

Speakers:

- Saeed Abbaslu (IRAN)
- Amjad Ashoorioon (IRAN)
- Sadik Deger (Türkiye)
- Ilmar Gahramanov (Türkiye & Azerbaijan)
- Ali Murat Guler (Türkiye)
- Mohammad Goharipour (IRAN)
- Mohammad Mahdi Sheikh-Jabbari (IRAN)
- Saeed Pourojaghi (IRAN)
- Ida Mehin Rasulian (IRAN)
- Vahid Taghiloo (IRAN)

Neutrino physics

Hadron physics

Dark energy

Mathematical physics

Theoretical High Energy Physics

Black hole physics

The meeting is free from charge and entirely online.

Registration Deadline: 14 April 2025

Organizers:

- Kazem Azizi (IRAN & Türkiye)
- Yasaman Farzan (IRAN)
