 A. Yu. Smirnov
 J. W. F. Valle
 F. Vissani

Organizers

Arman Esmaili
 Yasaman Farzan

The meeting will start with a four day school followed by a two day conference. Background knowledge of quantum field theory, particle physics (specially basics of neutrino physics) is required. There will be a poster session for graduate students to present their results. Posters have to be in English. Graduate students in the field of high energy and particle physics are encouraged to participate.

Registration deadline for participants who need visa: June 15th, 2012.

Registration deadline for participants who do not need visa (e.g. Iranians and Turkish citizens): August 1st, 2012.

Recommendation letter is not compulsory; however, graduate students who provide a reference letter will be in priority for selection. The recommendation letter should be sent to:

[ippconf \(at\) theory.ipm.ac.ir](mailto:ippconf@theory.ipm.ac.ir)
