Ph.D Defense Session

Title:

**The effects of primordial local non-Gaussianities
in cosmological inflationary models**

Candidate:

Mohammad Hossein Namjoo, IPM

Venue:

Farmanieh Conference Hall

Time:

10:00 Am, November 21, 2013

۳۰ آبان ۱۳۹۲

Abstract:

In this PhD defense session first I briefly review the topic of primordial non-Gaussianity, its theoretical motivations and the observational implications. Then I will present some of my works on this topic which I did during my PhD program.

Address: Institute for Research in Fundamental Sciences (IPM), next to Kouhe Nour Building, Farmanieh Av.

Tel: (21) 22 28 06 92, 22 29 09 34

Fax: (21) 22 28 04 15
